

Dear Sir!

Studying the Zygothylaceae for my work: "On natural  
then "Margaritiformis" I have necessary specimens of  
the North-American genera and species: *Sericotes*, *Chitonis*  
and *Fayonia californica*, also of Mexican *Panicaria* and *Eurya*  
cum; I should be very much obliged if You could send  
me some good fragments for study and a branch of every species  
You have in duplicate.

I should ~~be~~ be also obliged for representations of the Rubaceae:  
*Astrophyllum* <sup>55</sup> *Decatropis*, <sup>56</sup> *Polyarter*, <sup>57</sup> *Megastigma*, <sup>69</sup> *Carimiroa*

Yours very truly

A. Engelm.
